## Adamson Spalding Storybook Garden

**Abilene Cultural Affairs Council; Abilene, Texas**  
Opening Date June 8th 2017

Abilene has the distinction of being the Storybook Capital of Texas. In addition, the National Center for Children's Illustrated Literature also calls Abilene home. With these two major forces, the city has made its mark with sculpture and exhibits around downtown creating a unique draw for tourism. The latest addition to this amazing agenda is the Adamson Spalding Storybook Garden. This space wraps two sides of the Abilene Convention Center downtown and features bronzes from the Garth Williams illustrations from E.B. White classic tales of Charlotte's Web, Stewert Little, Three Pigs and the Big Bad Wolf, The three Bears and Goldilocks, and the Three Little Kittens Who Lost Their Mittens.
